The Role of Seeds in Society and Culture (Longwood Gardens, Community Read)

Dive deep into the concepts from *The Triumph of Seeds* during a facilitated lecture that looks at the wide range of usages of seeds in today's society and culture. From their inclusion in global diets to their presence in creative arts, spirituality, and textiles, discover how relevant seeds are in today's world.

You'll also learn how to properly process and store a menagerie of beautiful seeds to be used for jewelry, cooking, and planting.

Presenter Alison Tisdell is a 2017 graduate of the Longwood Gardens Professional Gardener Program.
